PLEASE NOTE:

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices. Your itinerary includes many activities that require walking on uneven terrain and sand. Visiting tombs, temples and pyramids requires climbing and descending steep staircases and/or ramps with limited help from

For more information visit <https://gateway.gocollette.com/link/1270324>

handrails. Some of these visits may not be suitable for people suffering from claustrophobia. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas and archeological sites. For your comfort, we recommend bringing sturdy walking shoes and always wearing socks. Temperatures can reach over 105° F (40.5° C), particularly in Aswan, Luxor, Wadi Rum and Petra. Be sure to bring adequate sun protection.

This program includes many early-morning departures. While in Cairo, Aswan and Luxor, you may depart sometime between 3:00 a.m. and 5:00 a.m. to transfer to the airport for your internal flights (including the option to Abu Simbel). On days visiting Giza, Edfu, Valley of the Kings and Petra, expect early morning departures from your hotel or ship between 5:30 a.m. and 7:30 a.m. to ensure you profit from the cooler hours of the day and reach the sites ahead of the larger crowds. While in Jordan, your program includes many long drives. In particular, your transfer from Amman to Petra via Wadi Rum involves 8 hours of driving, and your transfer from Petra to the Dead Sea involves 6 hours of driving.

Travel with just 16-24 guests on this tour where a smaller group setting means a more personal travel experience.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

The days and order of sightseeing may change to best utilize your time on tour. Order of sightseeing on board the ship may vary based on departure and weather conditions and is at the sole discretion of the cruise line.

Museum visits and shopping may be affected by observance of religious or local holidays. If traveling during the month of Ramadan, please note that the order of some features may vary and that some meal experiences may be replaced with meals in the hotel instead of local restaurants/venues. Ramadan observances are from February 28 to April 1, 2025.

*The opening of the Grand Egyptian Museum is experiencing repeated delays. Once opening is confirmed, we will be pursuing ticketing and replacing the visit to the Museum of Egyptian Antiquities.

Due to cabin configuration, triple and child accommodations are not available.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Internal flights are required in order to participate on this tour and are included in the final price, quoted at time of booking.

IDENTIFICATION

Passports and visas are required for this tour at your expense. Certain countries require a minimum of 6 months passport validity from date of return home. You are strongly urged to contact the appropriate consulate for details. Visit www.travel.state.gov for the U.S. State Department for the latest details about passports and visa requirements.

IMPORTANT: We recommend that our guests traveling abroad take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

Passport numbers are required in advance. Please provide this information at time of booking.

Egyptian and Jordanian visas are required for this tour. The Egyptian visa is obtained upon arrival in Egypt, payable in US cash, before getting in line

for immigration. The Jordanian visa is complimentary and pre-arranged by our local partner. It will be distributed at the airport by a local representative who will greet you upon arrival.

Each guest is responsible for proper medical documentation and inoculations that may be required and/or recommended to participate on this tour. Please contact your local travel clinic or personal physician for specific details on the destinations you are traveling to and from.

Some days will have early departures for excursions to avoid the midday high temperatures.

The Egyptian Government charges a camera and/or video fee of approximately 18 US Dollars, per camera, for taking photos or video inside any enclosed sites such as tombs. Your Tour Manager can assist you with obtaining the necessary permission on site.

*****Visiting the Valley of the Kings requires walking on sand and mostly unpaved paths. In addition, visiting the tombs requires navigating through multiple steep staircases and/or ramps with limited help from handrails.

***Due to flight schedules, the Abu Simbel option must be purchased at time of booking. While we do our utmost to schedule the option on the same day of your flight to Aswan in order to reduce the number of early-morning starts, please be aware that the airline schedule is subject to change and the option may occasionally take place on the early-morning of embarkation. In such case your itinerary in Aswan will be rearranged to ensure you do not miss the other sites.

***The exact flight schedule will be confirmed closer to departure. Your flight from Cairo to Aswan is direct and can depart as early as 6:00 a.m. There are no direct flights between Luxor, Egypt and Amman, Jordan. Your flight from Luxor may depart as early as 6:00 a.m. and you will connect in Cairo where you will experience a minimum 3-hour layover. Depending on available flights for your travel date, you may occasionally arrive to Jordan as late as 10:00 p.m., in which case your street food dinner in Amman will be replaced by a meal on a different day of the trip. In such case, your Tour Manager will inform you of the new arrangement on site.

**There is an additional cost to enter inside the Pyramids of Giza and special tombs in the Valley of the Kings. We cover the entrance fee to many sites and to some special tombs/sites (such as King Tutankhamun and King Ramses VI tombs in the Valley of the Kings) but other special tombs/sites will be at your expense. Rates are subject to change at any time based on governing authority. If you wish to take advantage of any of these extras, your Tour Manager will facilitate the onsite purchase of these tickets by collecting the fees at the beginning of the tour day.

**During your free time at the Pyramids in Giza, you may wish to visit the inner chamber of the Great Pyramid of Pharaoh Cheops. Accessing the Great Pyramid requires agility as you will have to climb up steep, narrow steps (approximately 1-1 ½ feet tall) on the side of the Pyramid without the help of handrails. From there, you may access the inner chamber and will need to crouch and at times to crawl up the 300-foot (100-meter) narrow shaft with minimal help of handrails. This activity is not suitable for guests who have claustrophobia. Access to the interior of the Great Pyramid requires a separate ticket, for an additional cost of approximately 40 US Dollars. The ticket can only be purchased on site and your Tour Manager will assist you with this request.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

A deposit of \$898 per person is due upon reservation. Reservations are made on a first come, first served basis. Reservations made after the deposit due date of September 10, 2024 are based upon availability. Final payment due by November 16, 2024. Deposits are refundable up until September 17, 2024.

Abu Simbel

Abu Simbel Day

\$400 USD

Visit the great sun temples of Abu Simbel, built by Ramses II at the height of his New Kingdom reign. In one of the world's greatest cooperative preservation efforts, these temples were dismantled and moved in 1968 to save them from the flooding of the Aswan Dam. The Temple of Ramses II was constructed so that the sun's rays would illuminate four statues of Egyptian deities within the sanctuary on his birthday and on the anniversary of his coronation, October 20 and February 20. The temple is fronted by four colossal figures of Ramses II seated with the gods and attended by his Queen and daughters. The smaller temple is dedicated to Queen Nefertari, who appears as Hathor, the goddess of love, joy and fertility. This option must be booked at least 65 days prior to departure and passport number is required at time of booking. This option is non-refundable within 45 days of departure. *Duration: Approximately 6 hours.* Please note a minimum of 10 passengers is required. Transportation is included.

Cairo

Visit to the Royal Mummies Museum & Local Lunch

\$100 USD

Dive into Egyptian culture before your tour even begins. Get your first taste with lunch at a local restaurant, featuring traditional Egyptian cuisine. After, move on to the National Museum of Egyptian Civilization. This contemporary 5,300,000 square foot space sits in the historic neighborhood of Fustat. The museum first opened in 2017 and is home to a collection of 50,000 artifacts, tracing the Egyptian civilization from prehistoric times to today. On April 3, 2021 the world watched in awe as the Egyptian Ministry of Antiquities relocated here the Royal Mummies during the stunning Pharaohs' Golden Parade. The 22 mummies (18 kings and 4 queens) of Egypt's most important pharaohs and queens were displayed on the streets of Cairo as they were transported from the Museum in Tahrir Square to their new home in the Museum of Egyptian Civilization. This large collection of royal mummies includes the likes of King Ramses II, the most famous pharaoh of the New Kingdom, and Queen Hatshepsut, who came to rule at a time when women did not become pharaohs. With the expert guidance of a local Egyptologist, enjoy a visit of this impressive museum – a perfect introduction to your exploration of Egypt. This optional tour is operated by a local representative and requires guests to have a pre-night hotel stay in Cairo. The optional is available from January 1, 2024 onwards. A pre-night stay is required to participate in this optional tour. *Duration: Approximately 6 hours.* Transportation is included.
