Experience It! Bovey Castle

Live like British nobility during your two-night stay at Bovey Castle. Built in the 1800s, this neo-Elizabethan manor house is a prime example of the country estates once owned by lords and ladies. During the First World War, the property became a convalescent home for officers, and during World War II, a military hospital. Since then, this grand estate became Bovey Castle, winning a multitude of awards and recognized as one of the most outstanding hotels in England.

PLEASE NOTE:

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Much of the terrain in Cornwall, Devon, and the Cotswold's is hilly and uneven under foot.

Elements of the guided tours in Cornwall and Devon may involve walking uphill and over sandy and grassy areas.
