Along the way, stop in Sigtuna, Sweden's oldest town, where Viking rune stones whisper stories of the past. With its charming streets and lakeside views, Sigtuna is a living museum of Nordic heritage. Then, board your flight to Luleå. See the fishing installations that line the banks and walk to a *kota* (wooden hut), where whitefish is grilled over an open fire. As your catch cooks in the traditional Kukkola style, gather around the fire, listen to local stories, and enjoy the fresh, smoky flavors straight from the flames. ### Important Tour Information:

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.
