The Floor Trader Outlet

Dear Sponsor,

Each year, the Carson City Chamber of Commerce Leadership Institute selects a community project to complete as part of its program, with the goal of creating a meaningful and lasting benefit for Carson City. Past Leadership classes have supported projects that enhance public spaces, strengthen community connections, and improve quality of life for residents and visitors alike.

The Leadership Institute Class of 2025 completed the renovation of the Carson High School ticketing booth, continuing the program's tradition of delivering meaningful, community-centered results.

This year, the Leadership Institute Class of 2026 has selected Governors Field, a shared space where families gather and youth sports thrive. Our goal is to enhance the field in ways that are practical, welcoming, and built to last. Planned improvements include updated signage and wayfinding, revitalized dugouts and field houses with sports-themed murals, added shaded picnic seating near the snack bar, and landscaping enhancements around the memorial area.

To complete this project, the Class of 2026 is seeking to raise **\$50,000**. Contributions of any amount will directly support improvements that benefit Carson City families for years to come.

Donations may be made by cash or check payable to:
Carson City Chamber of Commerce
Memo: *Leadership Project – Class of 2026*

All donations are tax deductible.
Tax ID #: **88-0067398**

Thank you for supporting local leadership and community investment.

Sincerely,

Carson City Chamber of Commerce
